# ABOUT US

---

LLC Rise Above the Violence, Inc. is a 501(c)(3) non-profit organization created to promote safer and more productive communities, schools and households. The Curtis Gray Foundation inspires youth to “be great” through mental health awareness, emotional resilience, and leadership development. This includes crisis training, violence intervention strategies and mental health support for youth impacted by trauma, thereby fostering a resilient and compassionate community.

## OUR STORY

LLC Rise Above the Violence Inc. was formed due to the senseless murder of Curtis Israel Gray, a rising star student athlete and community advocate who invested much of his life helping youth in Flagler County, FL. His work in his beloved community was recognized by four Federal Government Agencies: Project Star, Project Aim, Project Phases & the Community Rehab of Jacksonville, FL.

It was unanimously decided by these agencies that he should be awarded the **2019 Prevention Champion Award** due to his contributions in positive mental health and substance abuse prevention through a peer-to-peer support group he founded to assist his fellow students and friends. Unfortunately, Curtis was shot and killed on April 13th, 2019, before receiving the prestigious award in person. His mother, Carmen, was presented the plaque on her son’s behalf on May 29th, 2019. The presentation took place simultaneously as the first annual *Curtis Israel Gray Track & Field Scholarship* was launched by Flagler Palm Coast High School and presented by his mother Carmen Gray in his memory.

Curtis' dedication to his motto, “Be Great”, and his tireless contributions has gained national and international recognition. Additionally, a proclamation issued by the honorable Mayor David Alfin; deemed April 13th, as “Curtis Israel Gray Day” urging all citizens of Palm Coast, FL to rise above the violence.
